

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I am writing a letter of concern over the proposed merger of Directv and Echostar. I am a current Directv subscriber, and I am a christian person. I enjoy Directv for the sole purpose of being able to view Christian Broadcasting, and Family oriented television networks. I am concerned that the merger of Directv and Echostar will mean I could lose those programs, which would force me to cancel and be without the services I am enjoying right now. I think that the 'must carry' laws should apply to them in this manner, or if it doesn't it should be made so that it does.

Sincerely,

George Wilson
